

JIVE

JUMPING JIVE, Introduction

Huib van Langevelde

- Local arrangements for the day:

- Who needs to leave early?
- Dial in by EC representative?
- Minutes by Aukelien van den Poll
- All presentations on wiki:
 - <http://www.jive.eu/jumpingjive/doku.php?id=meetings:210217>

login: JJmeeting
passw: jumping

- Lets introduce ourselves

- **Introduction**
 - Jumping JIVE objectives
- **Focus first on the Consortium Agreement**
 - Rules this meeting
 - Selection of chair
- **Management talk**
- **Grant Agreement**
 - Work-packages and their leaders
 - Management team
 - Reporting periods
 - Money flow and spending principles

Excellent Research Infrastructures

- **Horizon2020 call INFRADEV-3-2016**

- Individual support to ESFRI and other world-class research infrastructures
 - will target the long-term sustainability of new research infrastructures, ESFRI and other world-class research infrastructures in Europe,
 - with established governance and legal structure, notably on the basis of the European Research Infrastructure Consortium (ERIC) or any other suitable structure.
 - Support will be provided to activities aimed at ensuring long-term sustainability, including enlargement of the membership, European coverage, international cooperation
 - to increase reliability and create trust, definition of service level agreements and business/funding plan, outreach, and technology transfer activities. 50 month (!) project
 - support progress towards the development of global research infrastructures

- **CSA Coordination and support action**

- support coordination and networking activities
 - to investigate the feasibility and/or prepare for innovations

- **Deadline was 30 March 2016**

- Same as e.g. RadioNet & AENEAS
- Selected August 26

Joining up **U**users for **M**aximising the **P**rofile, the **I**nnovation and the **N**ecessary **G**lobalisation of **JIVE**

- Should actually focus on the “EVN” Research Infrastructure
 - But the ERIC makes JIVE eligible
 - to advocate its services and profiling it in the global arena
- Formally started 1 Dec 2016
 - In order to have EC money flow in 2016
 - 2.98 M€ project
 - Duration 50 (!) months
- Project Officer: Keji Adunmo
 - Temporarily on maternity leave
 - Replacement: Darko Karacic

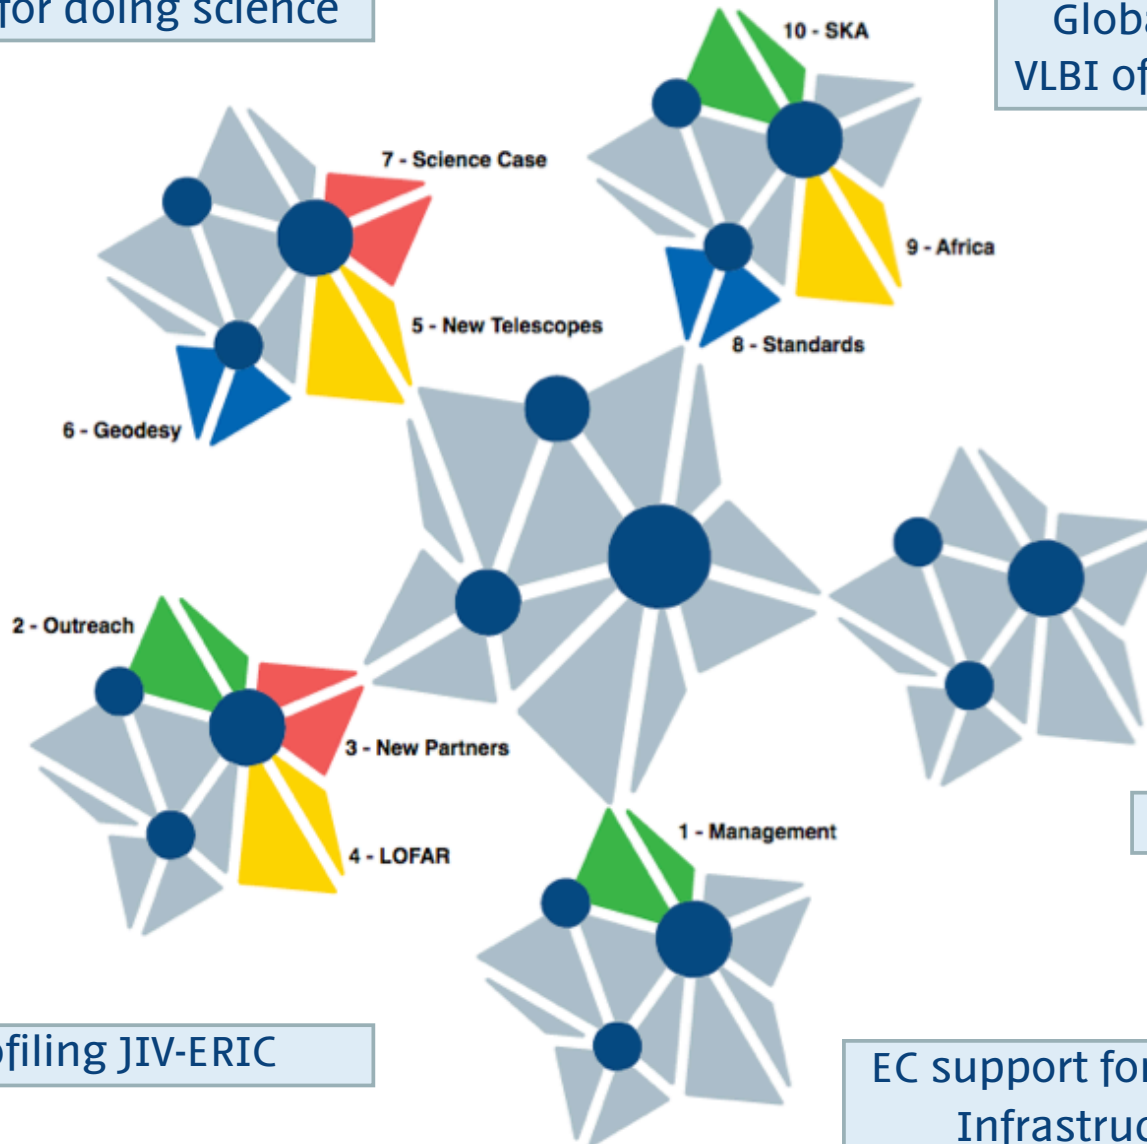

The Jumping perspective

Capacity for doing science

Globalisation,
VLBI of the future

Rooted in the EVN

Profiling JIV-ERIC

EC support for Research
Infrastructures

- **Project Board**

- All partner represented with equal voice
- Meets at least once a year
- 2/3 of Members should be represented
 - Can take decisions by 2/3 majority

- **Executive**

- Work-Package leaders + coordinator
- Meets >5 times a year

- **And Management team**

- At Coordinator

- **Note: several of us will be having multiple roles**

- Idea is to keep this small and efficient

- All partners present:

Participant no.	Participant Name	Short name	Board member?	Representative
1	Joint Institute for VLBI ERIC	JIVE	Huib van Langevelde	
2	Centre National de la Recherche Scientifique	CNRS	Patrick Charlot	
3	Chalmers Tekniska Hoegskola AB	CHALMERS	John Conway	Michael Lindqvist
4	Department of Science and Technology	DST	Takalani Nemaungani	Tugela Matubatuba
5	Istituto Nazionale di Astrofisica	INAF	Steven Tingay	
6	Ministerio de Fomento	MFOM-E	Monica Groba	Paco Colomer
7	SKA Organisation	SKAO	Simon Berry	
8	Stichting ASTRON	ASTRON	Marco de Vos	
9	Stichting International LOFAR Telescope	ILT	Rene Vermeulen	
10	Technische Universitaet Muenchen	TUM	Alexander Neidhart	
11	University of Leeds	UnivLeeds	Melvin Hoare	
12	The University of Manchester	UMAN	Simon Garrington	Rob Beswick

Selecting Chair and vice

- **Nominated are:**
 - Rene Vermeulen for chair
 - John Conway for vice-chair
 - (represented today by Michael Lindqvist)
